Menu options:

Short Events: Canapes & Sliders

Our fabulous range of canapes and sliders are perfect for a drinks and nibbles event, offering something delicious for all tastes.

For short events (2-3 hours) we would recommend at least 3 or 4 items/head

We suggest a mix primarily canapes (75%) with a small portion of sliders (25%)

For variety we always suggest a broad selection of different items (eg 4 or 5 different canapes, 2 sliders)

Three items / head \$15.675

Four items / head \$20.90

Recommended always popular items: **Canapes:** Smoked salmon on potato rosti *GF*, Lamb koftas *GF*, Spinach & caramelised onion croquettes *Vege*, Roast beef on yorkshire puddings, Thai chicken cakes *GF*

Sliders / Premium Canapes: Beef brisket sliders, Chicken & kimchi sliders, Duck spring rolls

But feel free to make your own choices from the menu

Longer events: For longer events we recommend where you want to offer something substantial, we offer three different food options to follow your nibbles later on.

We offer three general formats. Like one option, but want a few changes? Let us know and we'll make it happen.

Fork and talk Want to keep in the theme of a mingling event, with food offered which guests can eat while standing? The Fork and talk option is perfect, with a range of dishes served on small plates etc designed to be easily enjoyed by guests on the hoof.

Options range from smaller items - eg empanadas or prawn cocktail cups, to larger - eg boxed Thai beef salads, burgers or fish and chips.

Quantities required vary depending on timelines and guest requirements.

Grazing table / platter

Concerned that initial nibbles of canapes and sliders won't be sufficient?

A simple way to bulk up the offering is with one of our antipasto grazing boards. Loaded with a delicious selection of antipasto nibbles - including cheeses, salami and cured meats, dips, pate, olives and assorted pickles, fruit paste and grapes - it's the perfect way to offer a little extra for guests to snack on.

Medium grazing board: \$360

Large grazing board: \$460

Or we can tailor something specifically for your group requirements.

Late supper	\$24.5/h ham	\$29.5/h lamb

Another food option would be to follow the nibbles later on with a late supper of ham or pulled lamb, mixed salads and coleslaw, pickles, relishes, brie cheese and some buns - for guests to make themselves up a snack.

Choose your meat ham or slow cooked lamb (+\$5), let us know your numbers and we'll take care of the rest :)
